

BAKUP-USA

Installation Guide

BMW R1100/1150RT-POLICE Driver's Backrest

- **Remove the seat and the two (2) adjustment blocks for the rear of the seat.**
- **Remove the two (2) bolts for the front side bag supports (one on each side).**
- **Position your backrest so that the mounting holes align with the saddle support bracket holes. *Note: Be careful not to pinch any wires.***
- **Reinstall the bolts.**
- **Reinstall your seat supports and seat.**
- **Adjust to your liking. *We've got your back!***
