

# **BAKUP-USA**

## **Installation Guide**

### **YAMAHA V-STAR 1300/TOUR Driver's Backrest**

- **Remove the driver seat.**
- **Remove the passenger seat and place it upside down on a workbench or table.**
- **Remove the two (2) nuts that hold the strap on the passenger seat.**
- **Remove the strap and support bracket.**
- **Place your backrest over the front edge of the passenger seat and over the two (2) studs. Re-install the strap, washers and nuts.**
- **Re-install the seats and adjust to your liking.**

**\*YOU DO NOT NEED TO REINSTALL THE STOCK BRACKET**

***GET ON YOUR BIKE AND RIDE!***
